

Outeniqua vs Oudtshoorn

CLASSIC CLASHES RUGBY

DIE BURGER
STRUISIES
BO!

"Derbies between Struisies and Kwaggas were always the highlight of the school's rugby season because this was the one game where you could test yourself against good opposition. I still remember that the week before that derby was just sport, especially rugby. School work was put aside, and singsong and extra practice sessions were organised! The game was always of a very high standard and the results usually very close. Good, running rugby and fearless tackles were two big features of the derby. But it was all really enjoyable, even the bus trip to George."
